

RE: Step Code 3 Report Card for Joe Builder from Building it Right

Email: info@buildingitright.com

Use this report card as evidence of completion of any applicable modules required for Step 3 CPD learning when reporting your CPD learning credits with BC Housing.

| Step Code 3 Learning Module | Time Credit (Minutes) | Learning Objective Credit | Total Learning Objectives | Outcome   |
|-----------------------------|-----------------------|---------------------------|---------------------------|-----------|
| 1                           | 273.91                | 9                         | 11                        | Credit    |
| 2                           | 364.98                | 8                         | 9                         | Credit    |
| 3                           | 136.14                | 10                        | 11                        | Credit    |
| 4                           | 192.52                | 9                         | 12                        | No Credit |
| 5                           | 77.33                 | 5                         | 8                         | No Credit |
| 6                           | 323.83                | 8                         | 8                         | Credit    |
| 7                           | 68                    | 8                         | 9                         | No Credit |
| 8                           | 29.83                 | 5                         | 8                         | No Credit |

*This confirms you have achieved Credit for modules 1, 2, 3, and 6 of the Mandatory Step Code training through previous courses taken with Building It Right.*

*This confirms the modules that you still require (4, 5, 7, & 8). Visit <https://buildingitright.com/step3online.html> to sign up for the ones you need and complete the Step 3 Mandatory Training.*

You have not received credit for all modules.

Please visit <https://buildingitright.com/step3online.html> to purchase any additional required modules of the Step Code 3 training.

Murray Frank, Building it Right

*Purchasing any of our 8 “Step 3 Mandatory Training” modules will give you 2.5 credits for each module taken (10 CPD credits in this example). You can also purchase the entire 8 modules for 20 CPD credits. BC Housing has confirmed that all of these Modules are pre-approved for new CPD Credits despite the Credits granted on your report card.*

*The report card is a ONE TIME offering. Report cards will not be re-run to reflect any future learning through Building It Right. Modules 1 through 8 are available as stand alone offerings through Building It Right and these Modules all count for CPD credit as well as for Mandatory Step Code training.*
